**Today I had the bitterest experience of my life. I never had such an awful experience in my life before. I had gone to Agra for an urgent work. There were very few buses running today as most of them has been put on election duty, I waited for 2 hours at the bus stop to get into the bus. It was much crowded. I somehow managed to get some space for myself. It was really difficult to breathe. Everyone was sweating. People were pushing each other. After completing the journey of two hours, I came out of the bus and took a sign of relief. I'll never forget this journey in my life.**
